LABEL, MAILORDER & DISTRIBUTOR

INTRODUCTION BY HELGE SCHREIBER

Hi! and welcome to MRR's second photozine, this time in co-operation with Germany's Trust fanzine. I'm in the fortunate situation of being close to concert halls here in my area (the Ruhrpott of Germany), as well as in nearby Holland and Belgium. So, I've had the opportunity to see all the bands who've been on tour. As a result, I've shot a lot of photos, and with the help of other photographers from all over Europe, we'd like the pictures to tell you a story—the story of the European scene. It's about people from many different countries, united because of the scene. It's about a totally independent scene, about the energy of life. Some bands may be broken up, and some of the photos may not be that eye-catching, but let me tell you, these people/bands are keeping the scene alive, and without them it wouldn't be half as good!

Technical details? No comment, too many people involved!

Hei! Willkommen zum zweiten MMR-Fotozine; dieses Mal in Kooperation mit dem deutschen Trust-Fanzine. Ich hab das verdammte Glück, das ich nicht weit von den Konzerthallen hier in der Gegend und im angrenzenden Holland und Belgien wohne. So hatte ich die Gelegenheit alle Bands zu sehen, die hier auf Tour waren. Dabei sind als Resultat viele Fotos rausgekommen, die zusammen mit nem Haufen anderer Fotos von Leuten aus ganz Europa eine Geschichte erzählen—eine Geschichte über die Europäische Szene; über deren Eigenständigkeit und über die Energie des Lebens. Einige Bands mögen sich vielleicht aufgelöst haben und vielleicht sind einige Fotos nicht das Gelbe vom Ei, aber lasst mich euch eines sagen: diese Leute/Bands halten die Szene mit am Kack und ohne sie würde die Szene nur halb so gut sein!

Technische Details? Ach, lasst mich doch damit in Ruhe! Es haben halt zuviele Leute hier mit rumgeführt!

Salut! Et bienvenue pour ce second photozine de MRR, cette fois-ci en collaboration avec le fanzine allemand Trust. Je suis dans la situation favorable d'habiter tout près des salles de concert ici, dans ma région (le bassin de la Ruhr en Allemagne), ainsi que de celles de la proche Hollande et Belgique. Donc, j'ai eu l'occasion de voir tout les groupes qui ont été en tournée; il en résulte que j'ai pris beaucoup de photos et avec l'aide d'autres photographes de toute l'Europe nous aimerions que ces photos vous racontent une histoire... l'histoire de la scène européenne. C'est au sujet de gens issus de nombreux pays différents, unis grâce à cette scène. C'est au sujet d'une scène totalement indépendante, au sujet de l'énergie de la vie. Quelques-uns des groupes se sont peut-être séparés, et quelques-unes des photos ne sont peut-être pas assez "tape-à-l'oeil" mais laissez-moi vous dire, ces gens/groupe conservent la scène en vie, et sans eux, celle-ci ne serait même pas moitié aussi bonne.

Détails techniques? Sans commentaires, trop de personnes se sont investies.

Moi! ja tervetuloa MRR: n toiseen kuva- zineen, tällä kertaa se on tehty yhteistyössä saksalaisen Trust fanzinin kanssa. Olen siinä onnellisessa asemassa että asun lähellä paikkakuntani (Ruhrpott Saksassa) keikkapaikkoja, kuten myös lähellä Hollantia ja Belgiaa. Joten minulla on ollut mahdollisuus nähdä kaikki kiertelevä olevat bändit. Tuloksena olen ottanut paljon kuvia, ja yhteistyössä muiden eurooppalaisten valokuvaajien kanssa haluaisimme kertoa kuvin tarinan - tarinan euroopan scenestä. Se on tarina yhdistyneistä ihmisistä. Tarina täysin riippumattomasta scenestä, ihmisistä täynnä energiaa. Jotkut bändit ovat ehkä hajonneet ja jotkut kuvat eivät ole kovinkaan silmiävieviä, mutta nämä ihmiset/bändit pitävät scenen elossa ja ilman heitä se ei olisi puolisikaan niin hyvä!

Teknilliset tiedot? Mahdotonta, liian monia ihmisiä on ollut mukana tekemässä tätä!

Hejsa! Og velkommen til MRR's andet billede fanzine, denne gang i samarbejde med Tysklands Trust magazine. Jeg er i den lykkelige situation at bo nær alle koncerthaller i mit område. Jeg har altså haft mulighed for at se alle de turnerende bands, hvilket har resulteret, at jeg har haft glimrende mulighed for at tage en masse billeder. Så med hjælp fra andre fotografer (fra hele Europa), vil jeg lade billederne fortælle en historie, historien om den europæiske scene. Det er en historie om folk fra mange forskellige lande, forenede i kraft af scenen. En historie om en totalt uafhængig scene, en historie om energien og livet. Nogle af disse bands er måske opløst nu, og nogle af billederne har måske ikke et helt fantastisk blikfang, men mærk dig mine ord; alle disse mennesker/bands holder scenen oppe; uden dem ville der være intet!!

Tekniske detaljer? Ingen kommentarer, der er for mange!

Ciao! Ecco qui la seconda fotozine di MRR, questa volta in cooperazione la fanzine tedesca Trust. Io ho la fortuna di vivere vicino a molti centri giovanili qui in Germania (Ruhr), in Belgio e in Olanda. Ho così avuto l'opportunità di vedere tutte le bands che sono state in tour e, naturalmente, di scattare molte foto. Con l'aiuto di altri fotografi di tutta Europa, vorrei che queste foto vi mostrino la situazione della "scene" europea. Una "scene" in cui persone di diverse nazionalità lavorano unite, per creare un circuito indipendente e pieno di energia. Alcune delle bands si sono già sciolte e non tutte le foto sono usate bene, ma vi assicuro che queste bands/persona si stanno impegnando molto per tenere in piedi questo circuito alternativo, e senza di loro la "scene" non sarebbe così attiva.

Dettagli formali? No comment. A sono troppe persone coinvolte.

Hola! y bienvenidos al segundo fotozine del MRR, esta vez con la colaboración del fanzine alemán Trust. Estoy en la afortunada situación de estar cerca de salas de conciertos de mi zona (el Ruhrpott de Alemania), así como en las cercanas Holanda y Bélgica. Por eso, he tenido la oportunidad de ver todos los grupos que han estado de gira, con el resultado de que he sacado un montón de fotos, y con la ayuda de otros fotógrafos de toda Europa, nos gustaría que las fotos os contasen una historia, la historia de la escena europea. Es acerca de gente de muchos países diferentes, unida gracias a la escena. Es acerca de una escena totalmente independiente, acerca de la energía de la vida. Es posible que algunos grupos se hayan disuelto, y que algunas fotos no sean tan flipantes, pero dejame decirlo, esa gente y esos grupos están manteniendo viva la escena, y sin ellos no sería ni la mitad de buena!

Detalles técnicos? Mejor ningún comentario, hay demasiada gente comprometida!

Hi! i dobrodošli u drugi broj Maximum Rock N Roll photozina, ovoga puta u ko-operaciji sa nemackim fanzinom Trust. Ja imam sreću da živim u blizini konceratih hala u mom kraju (Ruhrpott Nemacke) a isto tako i blizu Holandije i Belgije. No, imao sam priliku da vidim sve bendove koji su bili na turneji. I kao rezultat, ispucalo sam puno photki sa bendovima, i sa pomoci ostalih fotografa iz Evrope hteli bi smo da photke same za sebe govore svoju pricu-pricu Evropske gig scene. Radilo bi se o ljudima, ujedinjenim iz razlicitih zemalja-povezani raznim koncertima, bendovima itd. -sve- predstavljaju photosima. Taj photozine ce predstavljati totalno nezavisnu scenu, energiju zivota, kroz "koncerte". Mozda neke od fotografija budu predstavljale vec raspale bendove, neke photke nisu do sada ni dopirle do vaseg oka, ali dozvolite da kazem bez tih bendova scena ne bi bila ni pola dobra kako izgleda zaisada!

Teknicki detalji? Nema ih, puno ljudi je vec na tom projektu.

This zine is a joint effort between MRR, Trust, and Helge Schreiber

NEGAZIONE

NEGAZIONE "Nightmare of Death" ep
This is New Beginning's 3rd release, and, shucks, we're happy to collaborate with NegaZIONE, a band who honestly "say what they mean, and mean what they say."

BRIDGING THE GAP...

Similarities (common spirit, ideas of a greater design...) are what most often bring us together. The differences that stem from living in various parts of the world (lifestyles, backgrounds) should be seen as strengths, enabling us to understand one another better. Diversity is an asset... We've seen too often that people use difference and distance as a reason for separation... This release is a way to help bridge the gap distances so often create. — N.B. staff

NegaZIONE will be unable to tour the U.S. this Spring, due to hassles with the Italian gov't. Look for them in late 87 or '88.

NIGHTMARE EP

"4 TRACKS THAT APPEARED ON "CONDANNATI A MORTE..." EP (RELEASED ONLY IN EUROPE) PLUS ONE RAGIN' LIVE CUT!
An awesome record and intelligent band who we feel deserve more exposure in the states. They're the Italian Menudo! HaHâHa
